

Dear Valerie and Dwane at Captured Stone Impressions,

The Camp Triumph Family would like to extend a warm thank you to you for your tremendous support. Throughout all phases of our fireplace project you and your team went above and beyond to deliver a top class product with exceptional service. You saw our vision and created a completely new product to match. You took great pride in your work and we are delighted that it now forms a focal point in our Camp Triumph Lodge, welcoming campers and their families from all across Atlantic Canada and beyond.

Thank you again for helping us continue to support families coping with chronic and terminal illness.
